Office of the Dean of Student Affairs & Chief Warden

CHAPTER 1: RESIDENTIAL PHILOSOPHY & ADMISSION TO HALLS OF RESIDENCE

1.1 Objective and Residential Community Standards

The residential halls at Apex Institute of Technology & Higher Sciences are envisioned as vibrant learning communities promoting scholarship, camaraderie, civic responsibility, and mutual respect. Living on campus is a privilege extended to enrolled students subject to strict adherence to institutional standards and codes of conduct.

1.2 Room Allocation and Possession Protocols

1. Rooms in residential halls are allocated annually by the Chief Warden's Office based on seniority, academic standing (CGPA), and program requirements.
 2. First-year and second-year undergraduate students are mandated to reside in shared double-occupancy rooms in Junior Residential Quads (Blocks A through D).
 3. Single-occupancy rooms in Senior Towers (Blocks E, F, and G) are reserved exclusively for third-year, fourth-year, and postgraduate students maintaining a minimum CGPA of 7.50 without active disciplinary reprimands.
 4. Room allotment is non-transferable. Subletting, unauthorized swapping of rooms, or sheltering unregistered individuals is an offense resulting in immediate cancellation of hostel allotment and forfeiture of the caution deposit.
 5. Inmates must complete a physical inventory check-sheet at the time of taking possession, cataloging the condition of furniture, electrical fittings, window screens, and study carrels.
